

Please do not vote to pass this unconstitutional anti 2A bill, it does nothing to stop criminals who unlawfully possess firearms from committing violent crimes and only hinders law abiding citizens from owning, purchasing and carrying firearms. The 2nd amendment states, " A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed". This is another violation to our second amendment rights by the state to restrict or constitutional protections.
